SCOPE OF SERVICES

The Town of Kingston Springs is seeking a vendor to perform services on pumping both residential and commercial septic tanks within the town's sanitary sewer system. The incumbent company or individual representative should be able to demonstrate the following:

- A response to all town requests for service within 24 hours.
- Frequent and constant communication with town staff regarding in-progress projects.
- Positive references from the area or similarly configured municipalities.
- This contract does not allow for after-hours charges.
- Please note: the town reserves the right to order service from an alternative company in the event your company cannot be reached in an emergency, or does not perform to the requirements of the contract.

In addition:

- Services include, but are not limited to, septic tank pumping, repair, emergency repair on city owned sewer appurtenances, and providing adequate manpower and equipment
- The Contractor agrees to provide all labor and materials necessary to do and perform all things under the scope of work requested by the Town.
- The Town shall notify the Contractor by phone call or in writing of the requested repairs, location of the place of work to be performed and the Contractor shall, within 24 HOURS, make non-emergency repair as requested by the Town in a good workmanlike manner. Emergency pumping/repairs are to be made within 4 HOURS.
- The Town shall have the right to inspect and approve the repair prior to Contractor's work crew leaving the project/repair site, and the Town reserves the right to issue additional instructions or require additional work of a similar nature.
- The Town further reserves the right to perform the scope of work contemplated under this agreement by virtue of any other sewer improvement project being undertaken by the Town. This contract shall not in any manner be deemed as exclusive for repair items in favor of the Contractor.
