SCOPE OF SERVICES

The Town of Kingston Springs is seeking a vendor to perform mowing at the town's Wastewater Treatment Plant. Mowing season is approximately April through November. Mowing to include:

- Approximately one-half acre of area at the Kingston Springs Wastewater Treatment Plant. "Per mowing" price should include the approximate grass areas shown in yellow on the attached map as well as include expense of keeping fenced area on the property free of weeds. Fences to be trimmed with a weed-eater as preferred method. If chemicals are used, contractor must show proof of certification.
- As mentioned, mowing season is approximately April through November. Mowing frequency is as needed but not to exceed once per every seven (7) days unless otherwise instructed by the Town.

The incumbent company or individual representative should be able to demonstrate the following:

- Appropriate, safety equipment and respectful employees for working near the public and within town-owned properties. Mowing should not occur during rain events, or when rutting could occur.
- Frequent and constant communication with town staff regarding mowing.
- Positive references from the area or similarly configured municipalities.

In addition:

- The Contractor agrees to provide all labor and materials necessary to do and perform all things under the scope of work requested by the Town.
- The Town shall inspect and approve the repair prior to Contractor's work crew leaving the project/repair site, and the Town reserves the right to issue additional instructions or require additional work of a similar nature not necessarily in the form of an emergency repair.
- The Town reserves the right to perform the scope of work contemplated under this agreement or order service from an alternative company in the event your company cannot be reached in an emergency or does not perform to the requirements of the contract.
