SCOPE OF SERVICES

The Town of Kingston Springs is seeking a vendor to perform paving services for minor road projects and repair and maintenance to existing pavement at town-owned facilities and within the town's road network. The incumbent company or individual representative should be able to demonstrate the following:

- Maintain a responsiveness to all town requests with town needs being a top priority.
- Provide all required supervision, labor, tools, equipment, traffic control devices, services, qualifications, insurance, experience and expertise to perform paving services as specified herein in a safe, timely and efficient manner in the Town of Kingston Springs.
- Frequent and constant communication with town staff regarding in-progress projects.
- The Town reserves the right to perform the scope of work contemplated under this agreement or order service from an alternative company in the event your company cannot be reached in an emergency or does not perform to the requirements of the contract.

In addition:

- The Contractor agrees to provide all labor and materials necessary to do and perform all things under the scope of work requested by the Town.
- The Town shall notify the Contractor of the requested repairs, location of the place of work to be performed and the Contractor shall, within ten (15) business days (excluding legal holidays), make the repair as requested by the Town in a good workmanlike manner. Excusable delay for inclement weather or unavailability of asphaltic products due to temperature or inability to obtain material from an asphalt plant are expressly excused.
- The Town shall inspect and approve the repair prior to Contractor's work crew leaving the project/repair site, and the Town reserves the right to issue additional instructions or require additional work of a similar nature not necessarily in the form of an emergency repair.
- The Contractor solely must supply sufficient traffic control personnel and traffic control devices so as to protect the motoring public and its workers during paving.
