A fireworks **tent permit** is good for 25 days. Permit fee is \$50. This tent permit is issued only to sell fireworks.

Because the tent and firework permits are different lengths of time, **there will be a 5-day extension permitted to the end of the permit creating a 30-day permit.** If the applicant wants this extension, it must be purchased at the time of the original permit for \$8.75. The total fee for the 25-day permit plus the 5-day extension will be \$58.75. The original 25-day permit may still be taken out for \$50 without the extension.

The tent permit starts on the day that it is purchased. Any part of that day is considered to be one of the 25 days of the permit.

NOTE: Any tents left on the property beyond the permitted period will cause the permit holder and/or the property owner to be issued a citation for each and every day that it remains on the property.
