MANAGER'S REPORT OCTOBER 2015

FOLLOWUP CODES DISCUSSION

The Building Official, City Attorney, and I met to discuss nuisance properties last week. Results from the meeting include:

- 417 Mt. Pleasant Rd. The City Attorney will check on the status on a property lien and a tax sale.
- 420 Mt. Pleasant Rd. Determined that the City does not have a course of action.
- 314 W. Kingston Springs Rd. A certified letter requesting the old KS hotel property to be boarded up will be issued.
- 340 Love St. Some cleanup progress has been made, but a second warning will be issued.
- An ordinance was recommended by the City Attorney to levy cleanup costs as a special tax assessment.

RESIDENTS SURVEY

It may be a decent time to distribute a resident survey. Residents will be stopping by City Hall over the next few months to drop off tax bills and will undoubtedly be thinking about the services they receive. Staff will need a 3 month period to collect surveys and can incorporate results into next year's retreat. JECBD funding for postage may be a possibility; Pleasant View is looking to do a resident survey as well.

A sample survey is included for your consideration. A motion to ask the JECBD for postage funding is requested.

JECBD UPDATE

The Board will meet on October 29th. County-wide permitting software and resident surveys will be discussed.
