

Are you asking yourself... *Do I need a Permit for that?*

Construction or alterations to structures or property in the Town of Kingston Springs may require a permit.

Permits are required for the following projects:

- New Residential Construction
- Building Additions
- Accessory Buildings
- Building Remodeling (a permit is required only if the remodeling involves structural changes or changes to exits).
- Structural Alterations
- Roofs
- Swimming Pools (all in-ground, and above ground over 24 inches deep).
- Fences over 6 feet in height
- Decks
- Attached or Detached Garages
- Sheds, Storage buildings or other Accessory Buildings
- Retaining Walls over 4 feet in height
- Signs
- Demolishing or Moving a Structure
- Driveways
- Blasting
- Excavation or Grading
- Street Cuts
- Temporary Use (tents, construction trailers, PODS)
- Firework Sales

If you are not sure if you need a permit for items not listed here please call Kingston Springs City Hall at 615-952-2110 ext. 24. You can obtain permits at City Hall, 396 Spring Street, Monday through Friday from 8am to 4pm
