

TOWN OF KINGSTON SPRINGS STREETS DEPARTMENT REPORT

5/5/08

The paving project on Main Street is complete. The stop bars and striping will be finished this week.

The department sprayed all sidewalks and curbs on Kingston Springs Road.

Potholes were repaired on Luyben Hills Road, C.C. Road, Simms Heights Road and Saunders Lane.

The large pothole on Brush Creek Road was cut out and paved.

Four streetlights were repaired.

Culverts were cleared on Hillcrest Road.

The litter program removed 278lbs. of roadside litter this month.
