## SCOPE OF SERVICES

The Town of Kingston Springs is seeking a vendor to make general electrical repair, emergency electrical repair, and electrical maintenance or installation on town owned properties. The incumbent company or individual representative should be able to demonstrate the following:

- A response to all town requests for service as quickly as scheduling allows.
- A certified electrician, and knowledge of electrical repair, maintenance, and installation.
- A priority for town requests and projects.
- Frequent and constant communication with town staff regarding in-progress projects.
- Positive references from the area or similarly configured municipalities.
- This contract does not allow for after-hours charges.
- Please note: the town reserves the right to order service from an alternative company in the event your company cannot be reached in an emergency, or does not perform to the requirements of the contract

In addition:

- The Contractor agrees to provide all labor and materials necessary to do and perform all things under the scope of work requested by the Town.
- In the event of an emergency repair, the contractor must be available for emergency work 7 days a week, 24 hours a day. The contractor must be available to perform emergency work within 6 (six) hours of being notified by phone by the Streets Supervisor or City Manager of the needed repair.
- In the event of a non-emergency repair, the Town shall notify the Contractor of the requested repairs, location of the place of work to be performed, and the Contractor shall make the repair as requested by the Town in a good workmanlike manner. Delay for inclement weather or unavailability of products due to temperature or inability to obtain material are expressly excused.
- The Town shall inspect and approve the repair prior to Contractor's work crew leaving the project/repair site, and the Town reserves the right to issue additional instructions or require additional work of a similar nature.
- If needed, the Contractor must coordinate with town Staff for sufficient traffic control personnel and traffic control devices so as to protect the motoring public and its workers.
